SPEAKER BIO-DATA

Dr. Rajaganesh Gautam

BDS, MDS

Diplomate of National Board

Diplomate, Indian Board of Orthodontics

Fellow, World Federation of Orthodontics

Dr. Rajaganesh Gautam is currently Prof. & HOD, Dept. of Orthodontics, Dr. D Y Patil Dental College & Hospital, Pimpri, Pune. He is a board-certified orthodontist with a private practice restricted exclusively to orthodontics in Pune, India since the last 20 years. He completed his BDS (Bachelor of Dental Surgery) from Government Dental College and Hospital, Mumbai in 2000 and completed his MDS (Masters in Dental Surgery) in Orthodontics from MCODS (Manipal College of Dental Sciences), Mangalore in 2002. He has completed international Mini Residency programs in advanced Orthodontics at the Yonsei University, Seoul, South Korea and at Taipeh Medical University, Taipeh, Taiwan. He is a Diplomate of National Board (DNB), awarded by the National Board of Medical Sciences and a Diplomate of the Indian Board of Orthodontics. He is an adjunct faculty at the Manipal College of Dental Sciences, Mangalore, has an academic teaching career of more than 15 years and has authored publications in both national and international journals. He has been an invited keynote and guest speaker at the Indian Orthodontic Society national conferences, post graduate student conventions and at various national and international orthodontic forums. He has served as an Executive Committee (EC) member of the Indian Orthodontic Society for three terms (2021-22, 2019-21, 2017-18). He is currently the Vice- Chairman of the Indian Board of Orthodontics.

Dr Sonam Sethi

BDS, MDS

Dr Sonam Sethi has done her BDS from Manipal College of Dental Sciences, Manipal and her MDS in Orthodontics and Dentofacial Orthopedics from RV Dental College, Bangalore. She has more than nine years of experience in Clinical Orthodontics. Her experience ranges from working as an Orthodontic consultant with various private clinics in Delhi NCR, to working with dental chains like Clove dental. She has even worked overseas in the middle east for more than three years. During this journey, not only has she incorporated aligners into her comprehensive treatment planning and execution, but she has also worked alongside the planning team for other aligner companies. Dr Sonam is an avid researcher and author of various publications. Her main array of research interests are genetics in Orthodontics and treatment of Sleep apnoea. Given her passion for Public Health, she keeps herself updated with topics like Health in Humanitarian crises from London school of hygiene and tropical medicine. Presently, she is the Clinical Advisor for Clearcorrect with Straumann Dental India.

**Faculty - 13 (other dental colleges)
7 (MGMDCH)**

Venue: Auditorium, MGM Dental College & Hospital

Organizing Department/Body: Dept of Orthodontics

Resource Persons: Dr. Neeraj Kolge

Speaker – Dr. Rajaganesh Gautam and Dr. Sonam Sethi

REPORT

The following workshop was conducted for faculty, post-graduates and private practitioners. The workshop focused on fundamentals of aligner biomechanics. The speaker, Dr. Rajaganesh Gautam, shared his vast experience and knowledge in treating orthodontic cases with aligner system. He also discussed about how to go with treatment planning of such cases and biomechanics behind it as well as how to achieve the best finish with your cases.

In the afternoon session Dr. Sonam Sethi gave a training on use of Clearcorrect portal. This program was attended by faculty and post graduate students from many dental colleges. It was well appreciated by all.
