"Say No To Bleeding Gums" Drive

Under the aegis of the Indian society of the Periodontology, department of Periodontics conducted a say no to bleeding gums drive. It was a 50 days long drive where patients were motivated to maintain their oral hygiene and thus reducing the incidence of bleeding gums amongst the local population of Navi Mumbai. Around 704 patients were examined and a photo of their smile was captured and uploaded on an app provided by ISP. Patients were also provided samples provided by sponsors of the Drive – Haleon, Paradontox. The no bleeding gums drive was conducted from 1st february to 20th march during which the following events were conducted

- 1.1st February start of the No Bleeding Gums Drive
2. 23rd February – Periodontist Day Celebration
3. 6th of March – Celebration of International Womens Day
4. 20th March – World Oral Health Day
