**ORTHODONTIC AWARENESS CAMP AT LOKNETE RAMSHETH THAKUR PUBLIC SCHOOL
KAMOTHE**

Date: 2nd November, 2023

Venue: Loknete Ramsheth Thakur Public School, Kamothe

Faculty: Dr.KashmiraKadam, Dr. Prachiti Terni

Organizing Agency: Department of Public Health Dentistry, NSS Unit, MGMDCH & Lions club of Kamothe

Number of Students attended: 08

Orthodontics is important because it can improve oral health and appearance, and can help prevent serious dental problems. MGM Dental College and Lions Club of Kamothe have collaborated to enhance orthodontic care and awareness within the community. This initiative also reached out to students at Loknete Ramsheth Thakur Public School in Kamothe, aiming to raise awareness about different orthodontic issues.

Aim and objective:

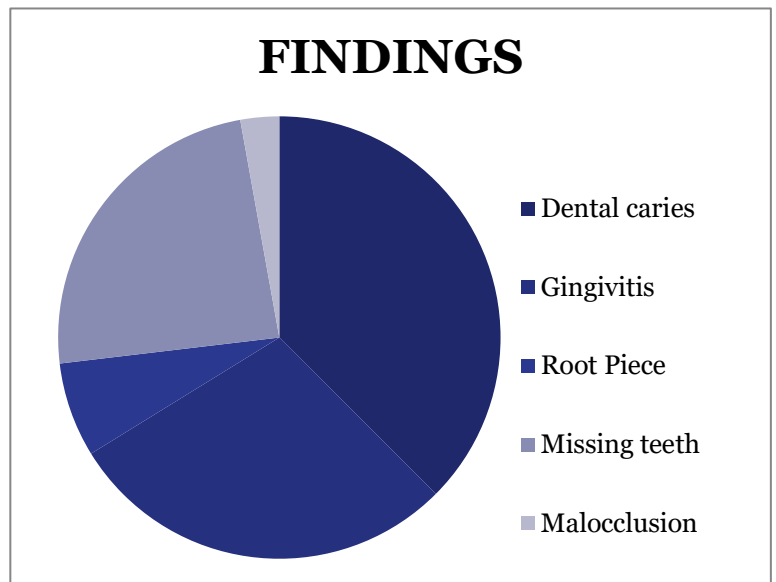

1. To assess the oral health status of patients and to screen for orthodontic problems .
2. To educate them and create awareness about orthodontic problems and treatment

Method:

A type IV examination was carried out with the use of Tongue depressor in day light. All the patients were assessed for orthodontic problems and were explained the need to get the problems corrected. The patients were made aware of the existing orthodontic problems and preventive measures were explained.

Observations: A total of 613 patients were examined for various orthodontic problems. Those requiring extensive treatment were referred to MGM Dental College and Hospital, Kamothe.

Condition	No. of individuals	Percentage %
Dental caries	569	92
Gingivitis	436	71
Root Piece	105	17
Missing teeth	365	59
Malocclusion	43	7

Interpretation and conclusion:

Dental Caries is the most common problem among the patient followed by gingivitis

Oral health education and prevention strategies and awareness regarding traumatic injuries should be implemented in order to reduce disease burden among the patient.
