AWARENESS ABOUT FLOSSING TECHNIQUE AT SHREE SANATAN DHARAM VIDYALAYA & JR. COLLEGE, CHEMBUR

Date: 10th October 2023

Venue: Shree Sanatan Dharmma School, Chembur.

Faculty: Dr. Pankaj Londhe, Dr. Agraja Patil

Organising Agency: Department of Public Health Dentistry, NSS Unit, MGMDCH & Rotary club

Number of Students attended: 6

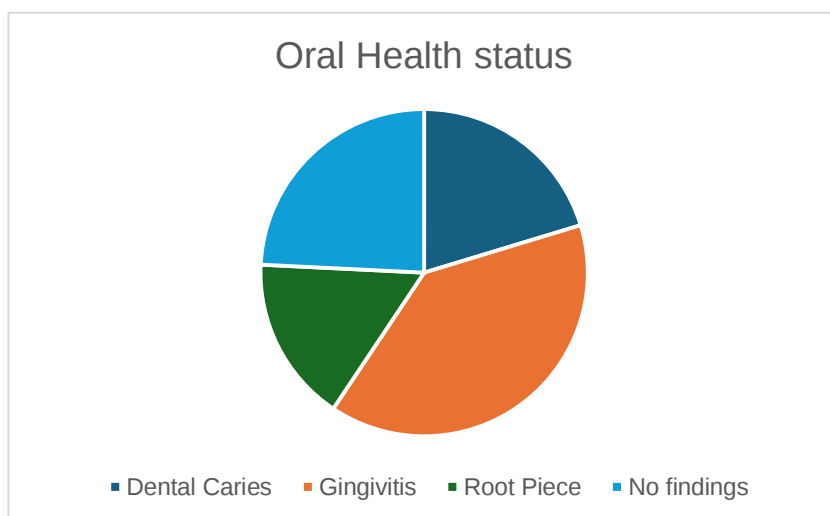

A demonstration provides hands-on education, making it easier for individuals to incorporate proper flossing techniques into their daily routines. MGM Dental College constantly takes efforts of extending the oral health care to the community. The oral care initiative was also extended to school students at Shree Sanatan Dharm School, Chembur and the teachers of the school with the intention of creating awareness about the Oral potentially malignant disorders to the patients.

A flossing demonstration is a practical way to raise awareness about proper dental care, specifically focusing on how to floss effectively. Many people understand the importance of flossing but may not know how to do it correctly, leading to ineffective or inconsistent habits. A demonstration provides hands-on education, making it easier for individuals to incorporate proper flossing techniques into their daily routines.

A total of 863 patients were examined for various dental problems. Those requiring extensive treatment were referred to MGM Dental College and Hospital, Kamothe.

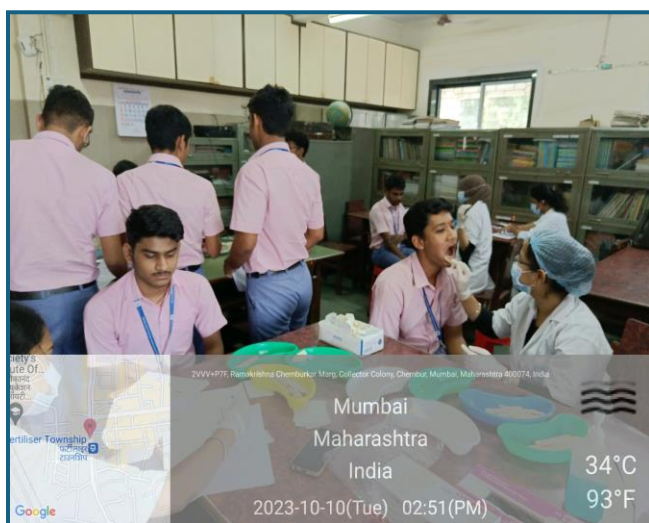

Oral health status:

Condition	No. of individuals	Percentage %
Dental Caries	224	26
Gingivitis	432	50
Root piece	180	21
No findings	27	31

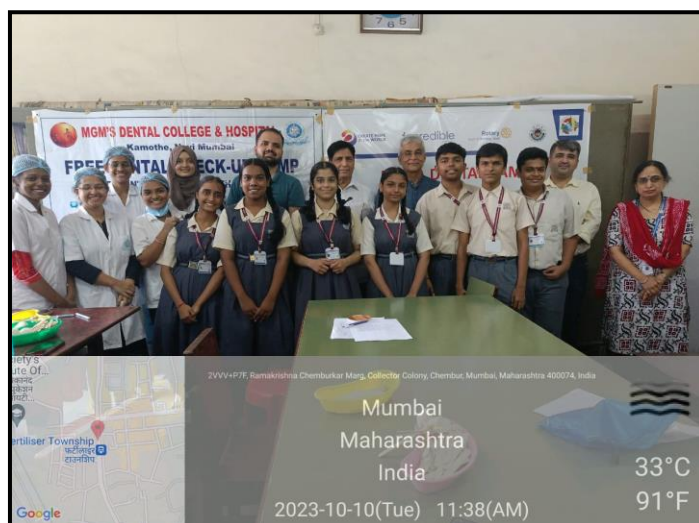

Interpretation and conclusion:

In conclusion, a flossing demonstration combines education, hands-on practice, and consistent messaging to increase awareness about the benefits and proper techniques of flossing. It's a crucial step in promoting better oral hygiene and preventing long-term dental issues.
