Following was the agenda discussed:

DAY 1

Dean's address:

1. Dean welcomed all the students and their parents to the MGM dental college.
2. Dean addressed about the massive progress report of our college from the year of establishment till date.
3. Dean made the parents aware of the college providing masters degree in 6 speciality along with PHD and fellowship programs.
4. Dean emphasized on IQAC (Internal quality assurance cell) constantly thriving to providing quality if education.

5. Students were encouraged towards research and new innovative ideas.
6. Dean enlightened students that the aim of dentistry is to acquire clinical skills on fingertips and to spend long hours to practice it.
7. Dean mentioned that students must be regular for non exam going subjects with minimum 70% attendance according to the university requirement. She also mentioned that the minimum required attendance for exam going subjects is 75% for theory and 80% for practicals according to the university requirement.
8. Dean asked the parents to keep the track on their wards progress.
9. Dean informed the parents about the mentor mentee program. Their ward will be allocated a mentor and a buddy with whom they can share their academic queries or problems which will be resolved by the mentor or the buddy at their level. If not, then it would be brought in to the notice of the dean. This system of working is known as three tier system.
10. The code of conduct in the terms of attire and ethics were brought into the notice of the student as well as their parents.
11. Students were addressed to the college website and the parents were requested to visit the college website frequently for the update of their ward's performance.
12. Students were proudly informed about MGM being ragging free campus and if experienced then to bring it under notice of the anti-ragging committee.

13. Introduction to clubs and committee:

Dr. Jigna Pathak (IQAC Coordinator) gave an extensive and interactive introduction for various clubs and committee to the students and asked them to actively participate in them.
