EVENT REPORT FOR INTERNS ORIENTATION PROGRAM HELD ON

13th & 14th September 2023

A meeting of all Interns of MGM Dental College, along with the dean was held on 13th and 14th September 2023 from 8:30 am to 3:30 pm in APJ Abdul Kalam Auditorium, 4th floor.

Number of Attendees:54

The following points were discussed:

1. Dean congratulated the students on passing final year BDS and welcomed them to internship.
2. She explained the internship span is of 1 year and there will be only 12days of leave permitted within this as per MUHS. If more leaves were taken it would lead to an extension of the posting.
3. Dean mentioned that the students will have to maintain a Record book wherein all completed work during internship in every department is signed by the concerned incharge and the HOD.
4. Every first Friday and Saturday of every month will be taken up by one department to conduct value added programs throughout the year for maximum benefit of the students along with various other programs such as social activities, field visits will be planned during their internship.
5. Dean encouraged the students to start working on research project in groups or solo which will help them in future career.
6. An innovation session will be introduced in the interns timetable for every working Saturday, where a every group of students will be allotted a problem statement which is then discussed with respective mentor to encourage innovative ideas.
7. Dean mentioned about an International MOU was signed between MGM Dental College & Hospital And College Of Public Health, Temple University, Philadelphia, Usa, in April 2023.
8. Dean discussed about career guidance lectures which will be organized and also put forward an idea of in house NEET MDS coaching.
9. Dean guided the students on how to interact and communicate with the patients. They need to be polite and compassionate to them.

10. Dean asked them to participate and present in various conferences, to attend any online courses in order to strengthen their CV.
11. Students were instructed to make committees and their respective heads unanimously in order to function smoothly during various activities in college.
12. Basic Life Support (BLS) Training program will be conducted for which students were asked to enroll themselves.
13. Dean concluded by thanking students for support & cooperation and attendance at the meeting.

14. Day 1- 13.9.23
