Total no. Of Students present- 115

The session was started with Dr. Divya Naik welcoming everyone & introducing the importance of White Coat ceremony. She appreciated the presence of the HOD's and students. She then welcomed the Dean to address the gathering.

Dean briefed the students on the following:

- 1) Dean Dr. Srivalli Natarajan welcomed the students for the adorning the White coat ceremony.
- 2) Dean started with introduction of the new subjects in the 3rd year i.e. General medicine & General surgery.
- 3) Dean informed them about the annual pattern of examination. She said it would be good for the students as they would get better patient exposure. In IV year they will be appearing for all 8 subjects, so they should start reading from now onwards. Internal assessment exams will be conducted every term for better understanding and evaluation.
- 4) Dean said students should start getting involved in research & scientific activities and come up with new ideas for the same.
- 5) She also mentioned about doing presentations & publications at conferences/colleges. The college library would provide them with a good amount of information and articles. Students can attend the IDA conference and register for it.
- 6) Dean said that students should actively participate in Yoga sessions; everyday even 5 minutes of meditation would help them concentrate very well. She mentioned that meditation would help them increase concentration & induce positivity.
- 7) College festival (MAGNUM) which is conducted in the month of January Dean wants everyone to actively participate.
- 8) Students should maintain discipline in the college. They should wear clean aprons everyday. Clinical quota/ attendance- 75 % attendance is compulsory students won't be allowed to appear otherwise. Students should also be polite to patients especially old patients and treat them with care, compassion & sympathy.
- 9) Dean said that the students should behave responsibly & respectfully even outside the college in trains/bus. No loose talks in the train regarding teachers/colleagues.
- 10) The White coats were then handed out by the Heads of Departments to all the students with oath taking ceremony.
- 11) Dr Manjari Chaudhary delivered a lecture on "Importance of case history documentation" which focused on patient listening to the patient and proper investigations guiding an operator for accurate diagnosis which is a useful tool for adequate plan of any treatment procedures..
- 12) Dr Rita Khadkikar delivered a lecture on "Communication skills" which emphasized on some key elements to put forth adequate information in an effective and adequate manner also to understand the importance of spending time for proper and clear communication in order to built trust and faith between doctor and patient.
- 13) Dr. Adil Gandevivala delivered a lecture on "Infection control & Biomedical waste disposal" which emphasized the various ways to encounter infection and what are different means to prevent spread of infections and protocols to follows biomedical waste management.
- 14) Dr Santosh Gawali delivered a lecture on "Professional ethics" which highlighted various ways of practicing and gave direction to right path for practicing.
- 15) Importance of "Formal and informal consent and assent" by Dr Ankita Deshmukh which educated our students on informing every patient about the operating procedures with their consciences on the consent form before start of any clinical procedure.

Dean concluded by thanking all for support/ cooperation and attendance at the meeting.
