**ORAL HEALTH EDUCATION AWARENESS CAMP REGARDING 'TREATMENT OPTIONS FOR
MISSING TOOTH' AT JANATA VIDYALAYA, MOHPADA, RASAYANI**

Date: 4th June 2023

Venue: Janata Vidyalaya Mohpada, Rasayani

Faculty: Dr. Kashmira Kadam & Dr. Neeraj Kolge

Organizing Agency: PHD Dept MGMDCH; NSS Unit, MGMDCH

Number of Students attended: 6

MGM Dental College constantly takes efforts to improve oral health and encourage the oral health care hygiene in the community. General health checkups, including dental checkup was done at Janata Vidyalaya Mohopada, Rasayani on Sunday with the intention of creating awareness and providing oral health care to the patients.

Aim and objective:

1. To know oral hygiene status and teeth missing due to various reasons.
2. To educate them and create awareness about oral health.

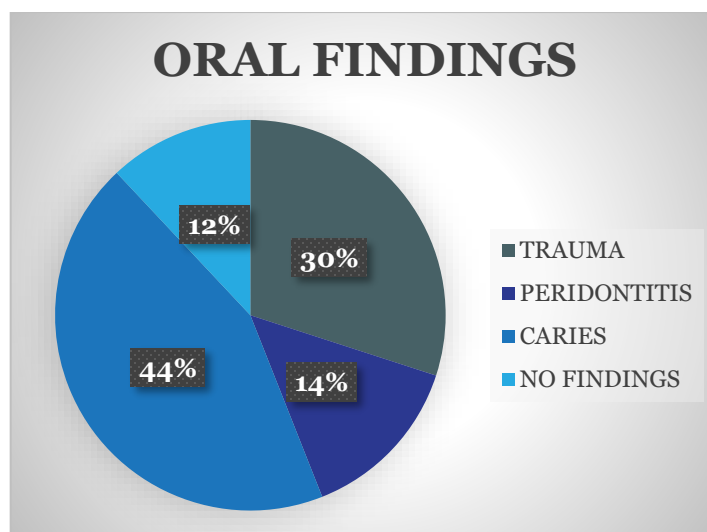

Method:

A type III examination was carried out with the use of mouth mirror and probe in day light. All the patients were assessed for missing teeth and various reasons for their loss and were explained the need to get the problems corrected. The patients were made aware of the existing dental problems and preventive measures were explained.

Observations: A total of 50 patients were examined for missing teeth. Those requiring extensive treatment were referred to MGM Dental College and Hospital, Kamothe.

Oral health status:

Condition	No. of individuals	Percentage %
Trauma	15	30%
Periodontitis	7	14%
Caries	22	44%
No findings	6	12%

Interpretation and conclusion:

Missing teeth are more common due to periodontitis and dental caries. Different treatment options were advised for replacing missing teeth such as implant, complete dentures, cast partial dentures, fixed partial dentures, implant over dentures, immediate dentures, immediate implants. These treatment options were advised to patient with the aim of proper mastication, esthetics and speech.
