FEEDBACK FORM

1. The session was informative and the content was well

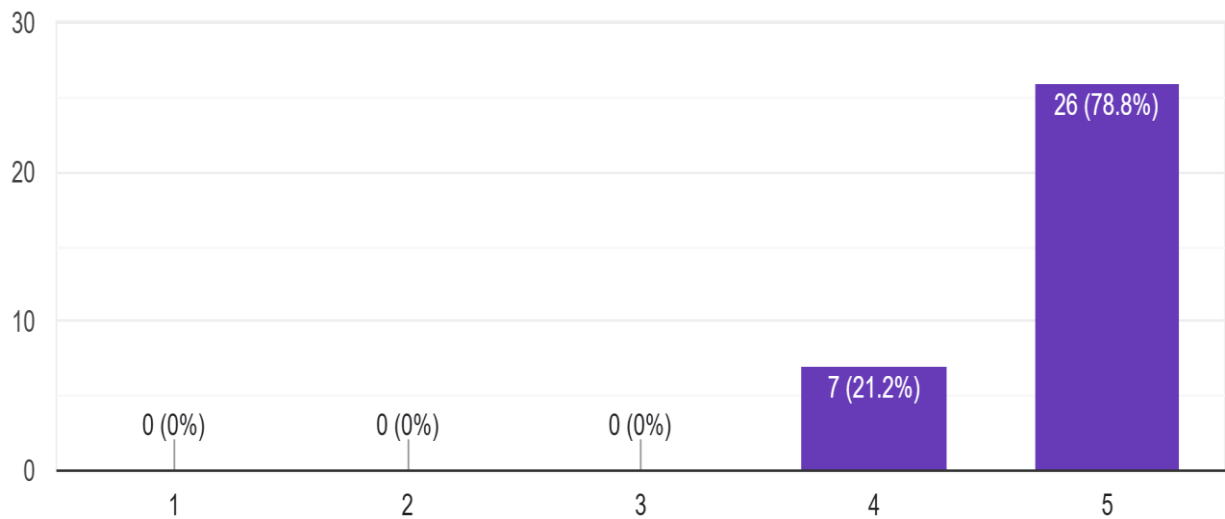

2. The instructions were clear and understandable

no response

Sign:

3. Overall how would you rate the course?

4.Any Suggestions

- 1.Hands on should be there for best understanding of implant studio software.
- 2.The demonstration was informative. There must me more such case discussions to improve clinical judgement regarding critical cases.
- 3.Kindly organize hands-on training for the software
