Application submitted by your institute vide application No. 24-1405897 has been recorded in eLORA.

Date of Submission: 10/10/2024

Application type: Application for Course Recognition (X-ray-Technologist)

This refers to your above mentioned application regarding assessment of your X-ray-Technologist course (MSc in Medical Radiology & Imaging Technology) in line with AERB requirements. We understand that the syllabus pertaining to radiation safety aspect prescribed by AERB has been incorporated and the basic entry level qualification meets requirements of AERB. Further, the course is affiliated to MGM Institute of Health (Deemed to be University), Navi Mumbai. Therefore, AERB will have no objection if after successful completion of the above course the candidates are employed as X-ray-Technologist in India subject to the following:

1. MGM Institute of Health (Deemed to be University), Navi Mumbai agrees to revise the syllabus, entry level qualification and duration of the course which may be recommended by AERB from time to time for strengthening radiation safety.
2. The course conducting institute name shall appear in the certificates/mark sheets issued by course conducting institute and the university. It may be noted that, the syllabus prescribed by AERB is minimum for the radiation safety view point, the complete syllabus as deemed fit must be incorporated by the university/board for the course.
