1.4.2 Feedback Analysis and Action Taken Report of the University on feedback report

The IQAC of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on Teacher, Curriculum and Infrastructure. The feedbacks were collected from Students, Teachers, Alumni, Employers, Professionals and Parents across Medical, Nursing, Physiotherapy, Biomedical Sciences, Prosthetics & Orthotics institutes.

The feedback collected is analyzed and sent it to the respective authorities for the actions. After receiving the communication from the University, the curriculum is implemented.

I Feedback From Students

<u>Feedback</u>	<u>Action taken</u>	<u>Impact</u>	<u>Relevant AC minutes</u>
Students suggested to have demonstrations on Automated cell counter with interpretation of hematology reports	To include Automated cell counter with interpretation of hematology reports as demonstration in physiology for 1 st year MBBS students.	Students have expressed satisfaction at inclusion of latest technology	https://www.mgmuhs.com/NAAC/c1/1.4.2/AC-min/AC-31-Hematology.-emerging-infections.-forensic.-Endoscopy.PDF
Students suggested to have semester pattern and CBCS for BPT and Elective course for MPT programs	Through BOS and Academic Council, it was decided that from the academic year 2019-2020, Credit Based Credit System Curriculum for the MPT program will be implemented. This curriculum will be student learning centric in nature. Choice Based Credit System is a flexible system of learning.	CBCS pattern has helped in better organization of course and learning domains	https://www.mgmuhs.com/NAAC/c1/1.4.2/AC-min/AC-33-CBCS.PDF
