Message from Chairman

Prof. Dr. G. R. Ekbote

Chairman, Business Council,
Progressive Education Society, Pune 5

Progressive Education Society's Modern College of Engineering is successful in delivering high standard of education along with overall development of the students, thus bringing about a transformation from being academic individuals to responsible citizens.

Shri. Shankarraoji Kanitkar, Founder, Progressive Education Society along with his selfless dedicated team of teachers had a vision of an all-inclusive education. From the time of inception of Progressive Education Society's Modern College of Engineering in the year 1999, we have been successful in making this vision come true in every sphere of education.

Message from Principal

Prof. Dr. (Mrs.) K. R. Joshi

Principal,

P. E. Society's, Modern College of Engineering, Pune 5

Progressive Education Society's Modern College of Engineering has been successful in providing necessary platform for the students to exhibit their skills and talent in every aspect ranging from education, extra-curricular activities, team building and overall development.

We provide the right ambience for nurturing individuals to become responsible professionals. We take pride in the high standard of academic and well-planned curriculum delivery which ensures a great learning environment. The management support, faculty involvement, administrative efforts and enthusiastic students together work to bring about a positive change in the Society and Nation at large.

Progressive Education Society's

Modern College of Engineering

Progressive Education Society was established in year 1934 in Pune by Late Honorable Shankarraoji Kanitkar, along with his dedicated team of teachers and experts in the field of education known for their highest moral values. The activities of this Society have always been 'Progressive' and 'Modern', inspired by the vision, goal and responsibility towards society. The Honorable Chairman Prof. Dr. G. R. Ekbote always inspires to provide education a real meaning and a new dimension to the Society. At present a total of 64 educational institutes, which include primary schools to post graduate- professional & management institutes, spread in and around Pune city are under the aegis of Progressive Education Society.

Modern College of Engineering was established in the academic year 1999. To impart quality education to students the Institute has collaborations with various industries. The Institute has been also selected by Ministry of Human Resource Development (MHRD), Govt. of India for establishment of IIC to systematically foster the culture of Innovation amongst educational Institutions. Students are encouraged for entrepreneurship and creating IPRs. Also a skill development center for SC/ST students is established under AICTE. Career counseling and guidance is provided to the students. The PES Modern College of Engineering has always remained student's focused assisting the students in getting suitable placements by providing training to ensure that every student acquired the required skills.

PES's MCOE believes in outcome-based learning. It has achieved outstanding academic results. Our students have achieved top ranks in University, and some have successfully cleared competitive examinations. They have scored well in GRE, TOEFL and have taken admissions for post graduate courses in various reputed Universities / Institutes in India and abroad.
