ACTIVITY CIRCULAR

Tree Plantation Drive

Dear Parents,

We are delighted to announce that our school will be organizing a **Tree Plantation Drive** on **15th June 2024**. This initiative aims to promote environmental awareness and contribute to a greener, healthier planet. Let's come together and make a positive impact for a greener tomorrow.

All students from grades **I to VIII** are encouraged to participate. Students are requested to bring a sapling of their choice.

Saplings can be planted either within the designated areas in the school ground or an approved area within your local society or neighborhood. Click a picture of the same and forward it to your class teacher.

Students will be required to maintain and monitor the growth of their saplings.

Let's grow a greener future, one tree at a time!

Regards,

Principal
