## **NOTICE**

### **A Digital Based and Largest Science and Talent Search Examination for Emerging India**

Dear Parents,

We are delighted to announce that our school will be organizing a Digital based Science Exam “VIDYARTHI VIGYAN MANTHAN (VVM)” is an initiative of Vijnana Bharati (VIBHA), in collaboration with National Council of Educational Research and Training (NCERT), an institution under the Ministry of Education, Government of India and National Council of Science Museums (NCSM), an autonomous organization under the Ministry of Culture, Government of India. VVM is a national program for popularizing science among school students of standard VI to XI, conceptualized with the intent of identifying “ignited minds”, to use the words of Dr. APJ Kalam, with a scientific aptitude from amongst the student community.

#### **Objectives of VVM:**

- \* To create interest among students in pure science.
- \* To provide hands-on training to students through workshops and other events.
- \* To educate school children about India's contributions, from traditional to modern, to the world of science and technology.
- \* To organize exposure visits for the winners to various R&D institutions in the country.
- \* To conduct competitive exams to identify students who have a scientific bent of mind.
- \* To identify successful students at the State and National levels and felicitate them.

Vidyarthi Vigyan Manthan (VVM) is a National level unique, App based science talent search examination that is conducted online.

Interested students can register their names and the registered students will appear for the exam from school in the online mode.

The Examination will be conducted in the month of October 2024.

The Examination will be conducted in the following two groups:
