PATIENT CHARITY

STATEMENT OF PURPOSE:

The MGM Dental College and Hospital is committed to providing charity care to persons who have healthcare needs and are uninsured, ineligible for a government program, or otherwise unable to pay, for necessary dental care based on their individual financial situation. MGM Dental College and Hospital strives to ensure that the financial capacity of people who need health care services does not prevent them from seeking or receiving care.

STATEMENT OF POLICY:

Charity is not considered to be a substitute for personal responsibility. Patients are expected to cooperate with MGM Dental College and Hospital procedure for obtaining charity or other forms of payment or financial assistance, and to contribute to the cost of their care based on their individual ability to pay as a means of assuring access to health care services, for their overall personal health, and for the protection of their individual assets.

DEFINITION:

Charity Care: Healthcare services that have or will be provided but are never expected to result in cash inflows. Charity care results from a provider's policy to provide healthcare services free or at a discount to individuals who meet the established criteria.

Below Poverty Line (BPL): guidelines developed by the Indian Government-Department of Health & Human Services on an annual basis. Levels are determined by the number of members in an individual's household and their annual income.
