REPORT

A single pint can save three lives, a single gesture can create a million smiles

A matter of 15 minutes and 350ml of your blood won't take away much from your day, but for those 3 lives in need it can mean a life.

A blood donation camp was organized by the NSS unit of MGM Dental College And Hospital along with staff incharge Dr Rashmi Hosalkar in which more than 71 units of blood was donated by both students and the staff members. It is a way which brings ray of hope as India faces an acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donated blood, Health experts say. According to reports, there are 234 million major operations in India, 63 million trauma-induced surgeries, 31 million cancer-related procedures and 10 million pregnancy related complications which require blood transfusions. While talking to people at the camp our NSS volunteers spread awareness about the shortage of blood and why we must donate blood every year. Blood donation camp began with the inaugural program at 9:30 a.m. by Dr Sudhir Kadam along with Dr Srivalli Natrajan Dean MGM DCH .

NSS unit of MGM Dental College and Hospital has been religiously organizing

blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Well sterilised equipments with health professionals and helpers along with NSS volunteers were present To help the donors .After the preliminary check-up of the donors, they were instructed to lie down on the bed.Making sure that the donors were kept healthy and hearty after the donation, we had them be served with appropriate glucose supplements. They smiled a smile so wide!Certificates of appreciation were given to all the donors as a token of gratitude. Event was a great success.
