**Date of Event:** 8<sup>th</sup> July 2022

**Venue:** MGMIHS Campus

**Organization:** NSS Unit, MGM DCH

**No. Of Participants:** Faculty-02; Students - 175

**REPORT**

MGMDCH strives to work for the welfare of the community as well as our surroundings. The NSS Unit of MGMDCH in association with CWC organized a tree plantation drive on 8<sup>th</sup> July 2022. The event started at 2pm. 175 saplings were planted by students of MGMDCH. Trees are essentially the livestock of humankind and other living organisms. They have unconditionally provided us with food, oxygen and many other necessities for human sustainability. Planting trees is just one piece within the larger mosaic of action needed to address the climate crisis.

175 saplings were planted by students of MGMDCH. All the volunteers were guided by the gardeners on how to sow and later, take good care of saplings. The students were enthusiastic to learn and pledged to nurture the saplings and watch them grow. The event was concluded by 4pm. Tree plantations is not actually very complicated. We all should understand the importance of trees in our life and pledge to plant as much as trees we can.
