Occasion/ Event Title: Industry Academia meeting on "Comfort-In Needle-free soft injection system"

Organizing Department : HSET & Department of Oral & Maxillofacial Surgery, MGMDCH

Number of Attendees: 27

EVENT REPORT

The HSET Unit in association with Department of Oral & Maxillofacial Surgery, MGM Dental college and Hospital, Navi Mumbai had organized an Industry Academia Meeting on "**Comfort-In Needle-free soft injection system**" by Guest Speaker Mr. Ineer, Regional Head, Mika Medical Co.

The Programme focused on introducing the Comfort-In device built by the company to dental professionals. The speaker gave an overview of the technology being used and the functioning of their device as well as the merits of their product in comparison to the other devices in use. This brief introduction was followed by a Q & A (question-answer) session where the speaker solved multiple queries presented by the faculty and students.

The Hands-on session allowed each participant to individually use the device on a sponge model and get firsthand experience on using the device. There was a patient demo conducted immediately after to actually check for the efficacy of the device.

Overall the session was highly appreciated by the faculty participants.
