### **EVENT REPORT**

On the 13th of January 2023, the Career Guidance Cell in collaboration with the MGM DCH Alumni Association had organized a lecture on "Research - A path to explore after BDS". The guest lecturer for this program was our very own illustrious alumna Dr. Snehal Ghodke who has done her Masters in Public Health from Jhon Hopkins school of medicine, Bloomberg.

The lecture canvassed the various aspects of pursuing research as a career option after BDS. The speaker spoke about the various aspects of a degree in public health and also spoke about the admission process in the United States of America. She shed some light on the nuances of research methodologies and her job profile in the US right now.

This was followed by a interactive Q and A session from the audience. The lecture concluded with the felicitation of the guest speaker with a certificate and memento as a token of appreciation by Dr Bharat Gupta sir.

Overall the lecture was very informative and appreciated by all.
