EVENT REPORT

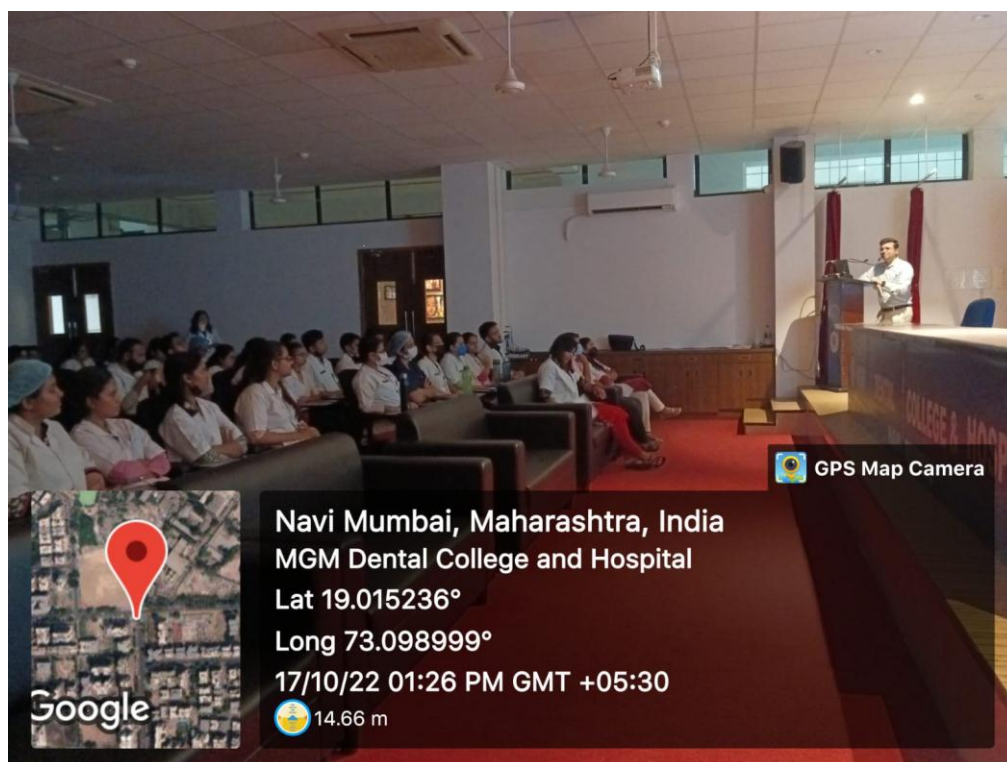

The Internal Quality Assurance cell (IQAC) of MGM Dental college and Hospital, Navi Mumbai had organized a program for orientation of the interns batch of 2022—23 titled “Prashikshit Chhatra Abhyasarambh” prior to the students beginning their internship.

The Programme focused on Introducing and training the new interns on various aspects of dentistry apart from the curricular activities on various levels of aspects of internship. To deliver these topics various eminent in-house and external speakers were invited for the orientation programme. The sessions covered the important aspects of infection control, research, effective patient communication, code of conduct, meditation and heartfulness, importance of communication skills, applications of dental photography to round up these budding dentists to become the next level doctors.

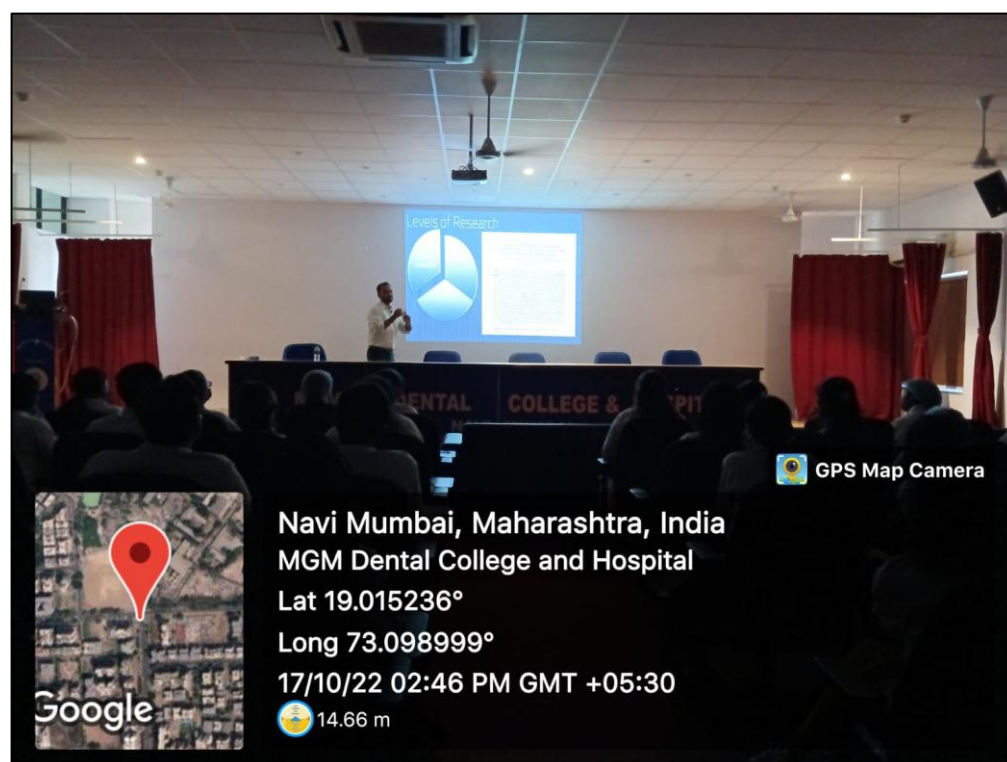

Intern’ Orientation was conducted with the view of educating interns and serving as a tool to mould them into empathetic, diligent, conscientious and skilled professionals having effective communication skills. Internship is a crucial period of transition from academic learning to real-time practice. It was a rewarding opportunity for these budding dentists to metamorphose from students to dental practitioners.
