EVENT REPORT

On 22nd September the two day workshop was inaugurated with the lighting of lamp and Saraswati vandana followed by the Dean Dr. Srivalli Natarajan's address and introduction to the two days session. The Dean elaborated on all the six cardinal rules of medical ethics through a skit. This was followed by lectures covering various aspects of medical jurisprudence taken by Mr. Vinod Kumar Menon, Dr. Suraj Ahuja, Dr. Hemant Dhusiya, Dr. Archana Dhusiya and Dr. Vaibhav Thakkar. All of them enlightened us with information about topics like confidentiality, ethics, standard of care and many more.

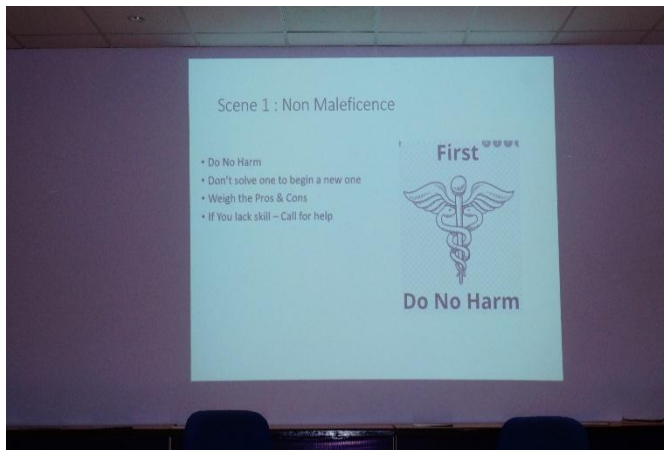

On 23rd September the day began with sessions emphasizing on consent by Dr. Hemant Dhusiya followed by a lecture on Medicolegal systems by Dr. Sunali Khanna and a lecture by Dr. Rajesh Dere. Overall the two days workshop was an excellent and informative session.
