Swachhata hi Seva- Cleanliness drive at Sangurli

Event: Swachhata Hi Seva campaign at Sangurli

Date of Event: 30th September, 2023

Venue: Sangurli Village, Panvel

Organisation: NSS unit, MGM DCH

No. of Participants: Faculty- 05, Students: 50

REPORT

Cleanliness is next to godliness; a saying we've heard a million times, but fail to put into action in our day-to-day life. At this time of age, it is not only necessary to keep our surroundings clean, but also to reduce the waste that we're already producing on a daily basis. We need to replace the one-use plastic thrash that is rotting our environment and detrimentally affecting us and the planet as a whole. Acknowledging all these things, the NSS unit of MGM DCH organised a cleanliness drive at the adopted village, Sangurli, as a part of the Swachhata Hi Seva campaign.

The NSS volunteers along with staff reached the village of Sangurli, where they organised a cleanliness drive along with the help of Sangurli gram panchayat. They also created awareness about the single use plastic and the alternatives that can be used instead of it. They explained the villagers the terrifying effects of plastic waste. The NSS unit then distributed cloth bags to promote the use of environment-safe alternatives to the single-use plastic bags.

The NSS volunteers then took a pledge to not only maintain and promote cleanliness in their surroundings, but also to seek out and use better alternatives to things that add up to the plastic waste. The volunteers left with a sense of responsibility to help make the world become cleaner, better and more habitable for themselves and for the generations ahead.

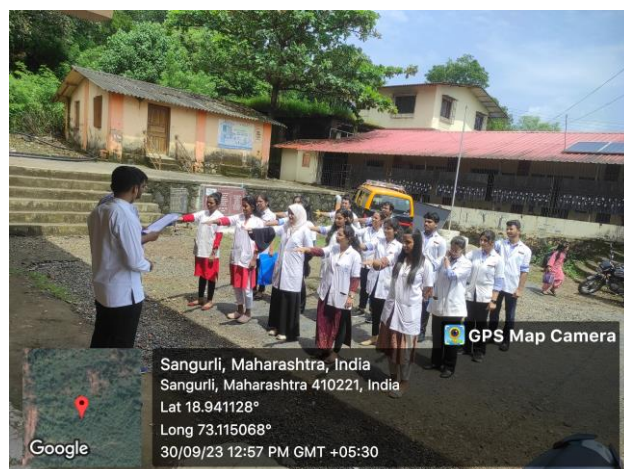

NSS volunteers along with staff Dr. Vaibhav Thakkar and Dr. Neeraj Kolge at Sangurli Village
