AWARENESS ABOUT 'ORAL HYGIENE MAINTENANCE' AT ZP SCHOOL, VANJARWADA, BOISAR

Date: 23rd August 2022

Venue: Zilla Parishad School, Vanjarwada, Boisar, Palghar

Faculty: Dr. Rafiq Nalband and Dr. Pankaj Londhe

Organizing Agency: PHD Dept, NSS Unit, MGMDCH with Rotary club 3141

Number of Students attended: 3

MGM Dental College believes in making a difference by taking constant efforts towards extending oral health care to the community. The oral care initiative was also extended to patients at Zilla Parishad School, Vanjarwada with the intention of creating awareness about importance of Fluoride for good oral health and providing oral health care to the patients.

Aim and objective:

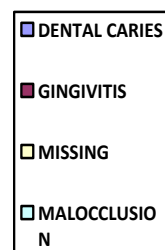

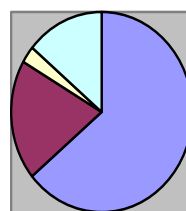

1. To educate the students about the importance of good oral health.
2. To provide treatment to the students in the form of topical fluoride application and pit and fissure sealant application.

Method:

MGM Dental college and hospital staff members along with students organized a program on importance of fluoride. Participants were explained the daily requirements of fluoride and how it affects the oral health using posters and charts. All the patients were examined and provided with the necessary treatment.

Observations: A total of 36 students in the age group of 11 to 14 participated in this program & were later treated. Many students required topical fluoride application as a preventive measure for caries.

Condition	No. of individuals	Percentage %
Dental caries	23	63.88%
Gingivitis	7	8.75%
Missing	1	2.77%
Malocclusion	5	13.88%

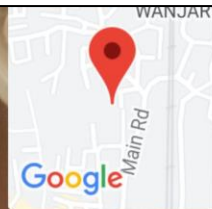

Interpretation and conclusion:

Dental caries is the most common problem among the patients followed by Gingivitis
