IMPORTANCE OF BRUSHING AT BEMOREFIT GYM, NERUL

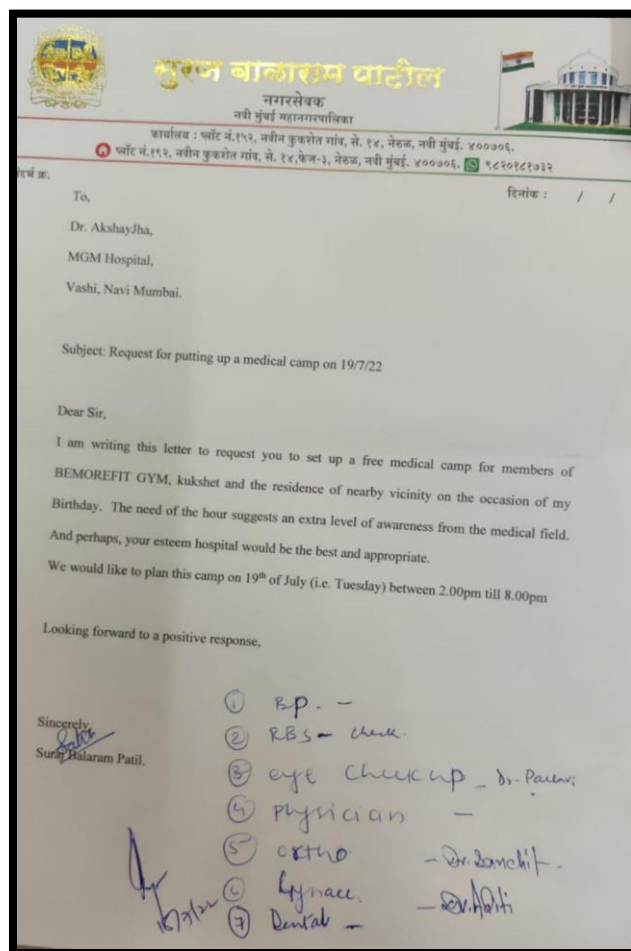

Date: 19th July, 2022

Venue: BeMoreFit Gym, Nerul

Faculty: Dr. Sarika Shetty, Dr. Agraja Patil

Organizing Agency: MGM New Bombay Hospital, Vashi, Jay Gajanan Mitra Mandal, PHD Dept MGMDCH; NSS Unit, MGMDCH.

Number of Students attended: 4

To raise awareness and provide general health care to the patients, Jay Gajanan Mitra Mandal and MGM New Bombay Hospital, Vashi offered free medical and dental health checkups for members of BeMoreFit Gym, Kuk shet and local people.

Aim and objective:

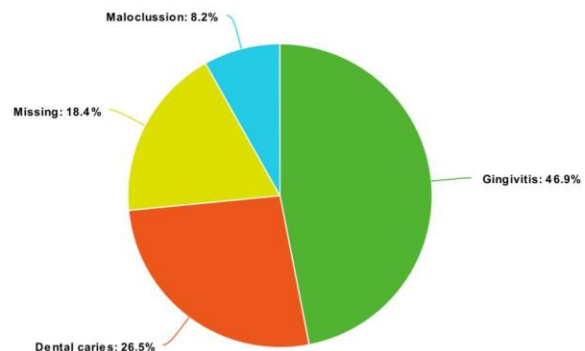

1. To assess the General health status and oral health of patients and to provide necessary Dental treatment.
2. To educate them and create awareness about oral health.

Method:

In the daylight, a type III examination was performed using a mouth mirror and probe. All patients were evaluated for their oral health status and informed of the importance of correcting any problems. The existing dental problems were explained to the patients, as well as preventive measures

Observations: A total of 30 patients were examined for various dental problems. Those requiring extensive treatment were referred to MGM New Bombay Hospital, Vashi.

Condition	No. of individuals	Percentage %
Dental caries	13	43.33%
Gingivitis	23	76.66%
Missing	9	30%
Malocclusion	4	13.33%

Interpretation and conclusion:

Gingivitis is the most common problem among the patients followed by dental caries.

Oral health education and prevention strategies should be implemented in order to reduce the disease burden among these patients.
